Outline Tour Itinerary

This incredible *Oktoberfest* tour not only introduces you to the world renowned annual *Oktoberfest* in Munich, but also shows you something of the rest of Munich and Bavaria. Experience the Alps, the beer gardens, beer halls as well as some great architecture, oh and of course some great beer!

Over the 4-days, we take you from *König Ludwig's Neuschwanstein*, across the Austrian Alps and finally to Munich's *Oktoberfest*. Prost!

This year we have 5 x Oktoberfest & Alps Special tours to choose from.

Oktoberfest and Alps Special

Day 1

Pick-up, Neuschwanstein & the Alps

We start the tour at Hotel Concorde in the centre of Munich and then drive straight to [Neuschwanstein](#) Castle where we can have a look around, take some photos and have some lunch.

Time permitting we can visit Andechs Monastery before Neuschwanstein.

Suitably refreshed we then drive into Austria and along the back of the *Zugspitz* Mountain, Germany's highest mountain on the 'back road' back into Germany, a beautifully scenic drive with mountains either side of the road!

After checking into our central hotel in *Mittenwald* we have some free time to wander around this gorgeous village, we then all meet up for some traditional Bavarian food at *Gasthof Zum Stern*, the food here really is excellent, washed down

with some fresh, cool beer brewed locally, paradise!

Should be a good night and time for everyone to get to know each other and relax in the Bavarian *Stuberl'n!*
Sleep well!
